

RoHS Compliance letter

January 18, 2023

ERC Company hereby certifies that materials and/or finished parts manufactured at our facility have been processed, controlled and tested in accordance with specified requirements. ERC Company further certifies that these products are in compliance with European Union Directive 2015/863/EU (RoHS 3 Directive).

Processing certificates and test reports, when applicable, are on file at ERC Company and will be made available upon receipt of formal customer request.

Sincerely,

Thomas Gazzillo
Quality Manager
